

CERTIFICATE

This is to certify that the Maple Syrup brands distributed by PANEX CANADA TRADING Co. Toronto, Canada, are 100% natural/pure, and free of any preservatives or additives such as Benzoic Acid or Sorbic Acid. The different Maple Syrup brands are manufactured in the province of New Brunswick and/or Quebec under the Federal Licensed Packaging Plant Act, "food products" for domestic and exporting purposes. The manufacturing plant establishments are registered with and inspected by Agriculture Canada under the Canada Agricultural Products Act, and Maple Products Regulations. Registration numbers: New Brunswick Plant: 3376; Quebec Plant: 3004. These registered establishments comply with the Canadian Federal Sanitation and Health requirements and produce - Maple Products - which is completely safe for human consumption.

ANALYTICAL CHEMISTRY LABORATORY REPORT CHEMICAL COMPOSITION

<u>100% natural/pure</u>		<u>100% natural/pure</u>		<u>100% natural/pure</u>	
Total solids (%)	66.5	3. / Organic Acids (mg/l)		5. / Minerals (P.P.M.)	
Water (%)	33.5	Malic	0.190	Potassium	1500-2000
Calories (kg-cal/100g.)	252	Citric	0.009	Calcium	400-1000
1. / Carbohydrates (%)		Succinic	0.007	Magnesium	100-300
Sucrose	62-65	Fumaric	0.004	Manganese	5-80
Hexoses (glucose, fructose)	0.5-3	4. / Vitamins (mg/l)		Sodium	1-25
Invert sugar	1.2-6.8	Niacin (PP)	276	Phosphore	50-125
Other sugars	Trace	Pantothenic A. (B5)	600	Iron	1-15
2. / Amino Acids (P.P.M.)		Riboflavin (B2)	60	Copper	0-2
Amino nitrogens	30-190	Folic Acid	Traces	Tin	0-25
Phenols	300-960	Pyridoxine (B6)	Traces	Lead	0-1.4
